

When Buti Pilade began making bags in 1958, his fashion house had many years of experience in mixing chestnut and leather for handbags.

uti

From the 1960s Buti took part in all the presentations of the collections of bags at the fashion shows of Florence and Milan. Maison Buti's accessories triumphed in international markets thanks to two qualities that characterized all of its productions: ELEGANCE and UNICITY Bags, made in limited and exclusive prints, with infinite color ranges, meet the desires of quality, luxury, elegance and exclusivity of many customers around the world.
